My Dear Bro -

We clergymen, especially of the rural districts are necessitated to economize when dependent on a salary. That seems to be my case just now. My private income just now is very small; & I - with quite a family to support - must now care for cents, whereas heretofore I generally held a "flush". Kumiama is as dear to me as ever, but sentiment must

yield to stern necessity. I am a
Knight Templar (Columbia Con. No 1
N York): my dues are \$5. per annum
I am a 33rd — belonging to the
Consistory of N York. \$10. — I paid
& in so doing obtained a life-
membership. No more dues. I
belong to the Shrine. Dues but \$2.¹⁰ —
The annual dues of Crescent (Masonic
Lodge) are \$8.¹⁰; but they are
remitted because of my serving
as Chaplain. Four or five times
during the year I go to New York
& act in such capacity.
I don't want to relinquish my
membership of the Kurnis Socy.

It is a good thing. Then, too, the
membership confers honor.
To show you how attached I am to
numismatic pursuits, I submit
that a great deal of my time is
taken up with numis^c literature,
especially that of the West Indies.

I hope special rates can be
offered non-residents. It is done
by all the other clubs. And why
not? The non-resident is necessarily
debarred almost all its privileges:
at least, he practically is. Surely
will I pay \$5. as heretofore.

Whereas you must accept my
resignation. I thank you

for your kind words. When our
season begins, June 1st, my work
begins in earnest; for then the
Yorkers swarm in

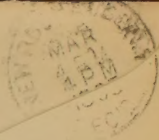

Very sincerely yours

Dear Mr Pryer

I have seen several of the members
and they are all much pleased
to hear that your report ^{of funds} coming in so nicely. They are
anxious to have the Society start
printing the Annual Proceedings
at once so as to get things up
to date, as formerly. Please let
us know what surplus funds
you will have for this purpose.

I think it very necessary that
the Society take up this matter
without delay, for should we
let it run behind again we would
not be able to catch up without
calling for subscriptions— and
that kind of business is "played—

out."

We ought to issue the "Proceedings"
certainly in October, and sooner if
possible — for I am having continual
inquiries for them from other
Societies, Corresponding Members etc.
There are also some other expenses
waiting to come up, but I want
to see the Society first print the
over-due proceedings

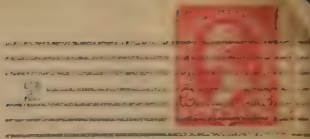

Trusting you are quite well
I remain

Yours sincerely
Henry R. Drowne

I have ordered the envelopes — they
are to be delivered here — and will

Dear Mr. Pryer

How about our Fire Ins.

When do our policies run out?

Kindly send me the names
of companies, amount and rate
of premium and I will see if any
better can be done

The Society has decided to
make a coin exhibit under
the auspices, and with the
co-operation of the National
Sculpture Society — to be held
at the Academy of Fine Arts May
6th (in 57 St.). I hope that
the character of the exhibit
will do much to direct
attention to our Society.

We want to exhibit in three

defendants — first American (U.S.)
(Coins) second Ancient Coins
third types of foreign coins
1500 A.D. to date.

Should we need a little assis-
tance in this last line
have you anything of special
interest you would be willing
to exhibit for the benefit of
the Society?

Yours respectfully

My Dear Frater -

I have just received your letter to
at Sec 4 - accepting the book conferred
by our little society.

I am glad at first you have done to make
this a fair example, and that to you for thus
representing me.

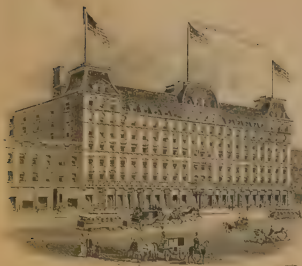

As regards the "mass" men
inquiring & learning will act you may find
it convenient in this one of the best
places in New England to find a book
concerning it. It is but 1 1/2 hrs.

at distance this you are a "De. of the
of not just to be & ergo, this & by with
when you can come, extend
a general invitation to Mrs. Pratt.

I wish to show you my island coins & etc.
I have been giving a great deal of
attention to the N. S. Indian section of my
cabinet. These coins have a special
interest for me. This is why you is replete
with that which pleases the eye.

Very sincerely yours

My dear Mr. Bryer

I have duly received your kind favor of the 22nd, with enclosed check for \$4.20, and for which many thanks. I return herewith the receipted bill and trust that you have sent Mr. Gilliard his receipt for the \$10.00, handed me by him.

Sorry to hear you are on jury, but really feel that I need your sympathy more than you do mine for I am unfortunately tied ^{up} here night and day on the M^c Lachlan jury — and do not find the rest agreeable.

I have received acceptances of election from Stewart W. Smith and John H. Pell — also the enclosed from Rev. Foster C. C.

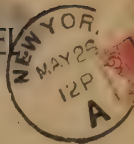

which kindly return at your convenience. As you had taken a personal interest in this I thought you might be interested in the reply.

Hoping that you are quite well, I remain

Dear Sir:

Your letter dated Oct. 31 st is duly received.

We have turned to our subscription book and find we have not credited the Am. Num. and Archl Socy with payment of volume 29, neither have we any record of such payment on our cash book.

Feby 14, 1894, we credited the Society with \$2, payment of volume 28 i.e. for July 1893 to April, 1894, and on April 3, 1895, we credited your personal account \$2 for volume 29. Volume 30 began in July last.

Kindly send us date of your remittance or receipt on Society's account, that we may look it up further. We should very much regret having asked for a second payment of a bill once paid and think there may be some mistake. If we have neglected to make the credit, we should be very glad to be informed and correct.

Yours truly,

W. T. R. Marvin.

Dear Sir:

Your favor has been duly received and carefully considered. Turning to our cash and deposit of April 3, we find the check as stated. We do not find on our files any letter accompanying the check, and as it came from you, the book-keeper instead of crediting it to the Society, credited your personal account for volume 29 then unpaid. As it now appears it should have been credited to the American Numismatic & Archaeological Society, we will therefore transfer the credit to that account and enclose bill for volume 30.

This will leave your personal account in arrears for volume 29, and we enclose bill for same.

We are sorry that the error occurred and will try in future not to get the two accounts mixed.

Yours truly,

T. R. Marvin & Son.
